Yes, thank you -- I'm currently free during any of those times.

And for what it's worth, I would think that our response to most requests would simply be,  
"Thank you for your interest; we'll provide you with the relevant data once we have it ..."  
or, perhaps,  
"Yes, we'll be discussing these and related topics at our next public meeting ..."

Hi all,

We would like to schedule a meeting for either next Monday or Tuesday morning to discuss our public outreach strategies for the NPS Campus Athletic Improvements project.

The questions and requests from various interest groups are coming in from all angles, and we want to be sure we are all on the same page as we start responding to these individuals/groups.

Please let me know if the following day/times work for you, and if you have a preference.

Monday 10/18 @ 9:00am  
Monday 10/18 @ 10:00am  
Tuesday 10/19 @ 9:00am  
Tuesday 10/19 @ 10:00am

Thank you and I look forward to hearing from you.
