United States Court of Appeals
FOR THE DISTRICT OF COLUMBIA CIRCUIT

No. 15-1239**September Term, 2021**

Joint Supplemental Brief for Industry Petitioners (not to exceed 1,250 words)	January 3, 2022
Supplemental Brief for Respondent EPA (not to exceed 2,750 words)	February 2, 2022
Joint Supplemental Brief for Environmental Intervenors (not to exceed 1,000 words)	February 9, 2022

The Clerk is directed to calendar these cases for oral argument on the first appropriate date following the completion of supplemental briefing.

Each supplemental brief should identify, at the outset, any portions of the corresponding original briefing that no longer are relevant to the disposition of these cases.

To enhance the clarity of their briefs, the parties are urged to limit the use of abbreviations, including acronyms. While acronyms may be used for entities and statutes with widely recognized initials, briefs should not contain acronyms that are not widely known. See D.C. Circuit Handbook of Practice and Internal Procedures 43 (2021); Notice Regarding Use of Acronyms (D.C. Cir. Jan. 26, 2010).

Parties are strongly encouraged to hand deliver the paper copies of their briefs to the Clerk's office on the date due. Filing by mail may delay the processing of the brief. Additionally, counsel are reminded that if filing by mail, they must use a class of mail that is at least as expeditious as first-class mail. See Fed. R. App. P. 25(a). All briefs must contain the date that the case is scheduled for oral argument at the top of the cover. See D.C. Cir. Rule 28(a)(8). It is

FURTHER ORDERED that the request to set an oral argument format be referred to the merits panel to which these consolidated cases are assigned.
