Andrew Wheeler  
Acting Administrator  
United States Environmental Protection Agency  
1200 Pennsylvania Avenue N.W.  
Washington, DC 20004

Administrator Wheeler,

First and foremost, I want to say what an honor it has been to serve as the Region 4 Administrator for the Environmental Protection Agency and to thank you for this great opportunity.

I offer my resignation. As you know, unfounded charges have been levied against me that I must and will fight.

Stepping down now, I hope removes any distraction from you and all the great people who work at EPA as you carry out the Agency's mission. I intend to focus on my family, fight these unfounded accusations and ultimately clear my name. I will not allow this fight to be a distraction for our team.

Again thank you and President Trump for the honor of serving our country.

Sincerely,
