Hi – see below. Would you like us to direct this toward the White House? Do you have a contact or will you handle? FYI – here’s one of the stores out on this: [They Had To Hire Child Actors For VP's YouTube Kids Special - 93.1FM WIBC](#)

Best,

Hi there – was wondering if NASA has any comment/ additional background information on the reports of child actors being featured in the VP’s Youtube special with NASA. Thanks in advance!
