Dear Chairmen Murkowski and Calvert and Ranking Members Udall and McCollum:

On April 16, 2018,¹ The Government Accountability Office (GAO) issued an opinion concluding that EPA's installation of a soundproof privacy booth falls within Section 710 of the Financial Services and General Government Appropriations Act, 2017. Under Section 710, an agency must provide notice to the Senate and House Appropriations Committees before obligating funds in excess of \$5,000 to furnish, redecorate, purchase furniture, or make improvements to such space. Pub. L. No. 115-31, div. E, title VII, § 710, 131 Stat. 135, 379 (May 5, 2017).

EPA did not come to the same conclusion as GAO regarding whether the installation of a soundproof privacy booth falls within Section 710. However, the purpose of this letter is to comply with that opinion and notify you that EPA, during Fiscal Year 2017, obligated \$43,238.68 from the Environmental Programs and Management appropriation account to install a soundproof privacy booth in the Administrator's office.

¹ See B-329603, Apr. 16, 2018.

Should you need additional information, please do not hesitate to contact Ed Walsh with my office at Walsh.Edward@epa.gov or (202) 564-4594.

Subject: 8/24

Kevin:

Reggie's office captured a date of 8/24 on the PR package for the secure communications booth, as the date by which they wanted the product delivered.

As we had discussed a couple of weeks ago, this booth is a custom order per the requirements, and the limited # of vendors who offer this product cannot produce and deliver a custom booth within this short period of time. A more realistic timeframe for this booth is a minimum of six to eight weeks—can you confirm, via a reply to all, that you concur with a six to eight week delivery?

Thanks so much-

Gayle
