Office of Mission Support

This email message is being sent to HQ EPA employees.

DC Mayor Bowser has instituted a city-wide curfew beginning at 6:00PM this evening. All entrances to EPA buildings at the Federal Triangle will be locked at that time. We encourage all EPA staff and contractors to exit the facilities before 6:00pm.

If you are still in the building after 6pm and require assistance, please contact the HQ Guard Command Center at 202-564-1120. For all other inquiries, please send an email to HQSECURITY@epa.gov.

Please monitor news outlets for further information on the DC operational status.
