In thinking about this more, you should put out a statement. My suggested edits:

Today's violence and lawlessness at our nation's capitol building cannot and will not be tolerated. Our brave men and women in the United States Park Police responded with dispatch to assist the US Capitol Police, while also continuing to protect our national parks, memorials and monuments. Thank you law enforcement for your service and unwavering commitment to securing peace.

—

House is reconvening at 8pm (for situational awareness).

Subject: Draft

I and the American people appreciate the efforts of the tremendous United States Park Police to responded to assist the needs of the US Capitol Police, while also continuing to protect our national parks and monuments. Lawlessness can not be tolerated. It will be dealt with with dispatch and severity.
