Subject: Supreme Court (SCOTUS) Case Release - MPD JOCC - Sit Rep #1

Apologies for the confusion in my neglecting to change the subject line in the previous notification regarding the bomb threat.

USCP and SCOTUS PD have determined that this was a false report. The subject identified in the notification is a blogger and the victim of "swatting". This previously happened on 5/3/22. When this blogger livestreams from SCOTUS, an unknown individual calls 911 reporting a bomb threat and gives the description of the blogger as the suspect as well as the location he is livestreaming from. USCP and SCOTUS PD are investigating.
