The day the Court stayed the rule – February 9, 2016 – was much worse than yesterday.

Phew! I remembered all the days, weeks, months of meetings in the Air office on CPP and my heart just sank yesterday thinking of you all who worked so hard. Glad to know you feel optimistic.

Emily/Andrea—could you please work with joe and Jeff to find 30 minutes today to gather the OAR and OGC staff who worked on the CPP case for a Teams call. I'd like to thank the team and give folks a chance to talk about the decision. I think we have some things that could move around or to next week on my calendar.

Jeff—I talked to Joe about this last night, but didn't have a chance to check with you. I hope this is ok with you—we used to do this “in the old days” after momentous decisions.

Joe and Jeff can help with the invitee list....

Thanks,
Janet
