See minor comment/edit since these handhelds and portable devices were used throughout the early phase of the response, not just reentry home screening.

Thanks!

Hi all,

If everyone could quickly run through this and make sure they approved, I made all recommended edits on all sides, and took the edit on sensitizer as recommended.

I'd like to get this to the Governor's Offices by 7 if possible.

@Kristen.Dickerson@odh.ohio.gov – if I share with you, can you share with ODH/Ohio Governor's Office?

First attachment is all edits accepted, second has all the edits made.

Thanks!
Nate
