How should we go about incorporating these? Some of them are substantially different from EPA's key messages.

Jeff

Here's a clean version of PA DH edits. I've asked Jack Kelly to go back and work with them on the last sentence of bullet 2 and last sentence of bullet 5. Hoping to hear back soon on that.

Hello all,

Here are Pennsylvania's edits to the draft messaging, which includes edits from leadership and staff at both PA DOH and PA DEP.

We also just discussed this with Jack and Ann.

I did not track edits, as we needed to view a clean copy, so to compare edits it will be best to look at the documents side-by-side.

Thanks,
Nate
