Sure! As it happens, I have no meetings for the rest of today. My calendar is up to date in Outlook if you want to find another spot.

Hello Ms. Fugh,

I'm an investigative attorney working with Kristin Kafka in the OIG's office. Do you have a few minutes in the next few days to speak about the issue below? Thanks very much.

Hi Kristin,

I've been the Alternate Designated Agency Ethics Official for the past 15 years (yikes!) so have familiarity with the last three pledges: [Executive Order 13989](#) (Biden ethics pledge), [Executive Order 13770](#) (Trump ethics pledge), and [Executive Order 13490](#) (Obama ethics pledge).

In the event that additional information is helpful to you, though, please consider the attached documents. You will see that Joe Goffman contacted me directly, I interacted the OAR chief of staff, and I notified Harvard that EPA would not take any action based on their communication with Mr. Goffman. I referred Harvard instead to the OAR chief of staff, who is the appropriate person identified in Mr. Goffman's recusal statement (also attached).

Hi there,

Ex. 5 Deliberative Process (DP)

- On 8/4/21, OGC Ethics provided an interim FOIA response to Ms. Morgan Yardis of Protect the Public's Trust (EPA-2021-004097). She had requested various ethics-related records produced by or received by the Office of General Counsel, Ethics Office (OGC/Ethics) and EPA's Designated Agency Ethics Official pertaining or relating to twelve identified political appointees, including Mr. Goffman. That's how she received the referenced documents.
- Please note that we do not assert attorney-client privilege. As set forth at 5 C.F.R. § 2635.107, "[d]isclosures made by an employee to an agency ethics official are not protected by an attorney-client privilege." We may, though, assert deliberative process privilege and privacy rights.
- With respect to Mr. Goffman, I communicated with the White House Counsel's Office, and they concurred in my approach to redress the apparent oops. That email was not included in our interim response on 8/4/21 because we had not yet received clearance from them. We have since received clearance, however, and will include that email exchange in our next interim release.
- Just so you know, Executive Order 13989 does allow for pledge waivers, and those determinations have been delegated by the Office of Management and Budget to the Agency DAEOs.

Let me know if you want to confer about this at all, and whether you think either or both of us need to respond.

Cheers,

Justina
