

Dear Colleagues:

I wanted to let you know I will retire March 22, 2024. It's been an adventurous, wonderful 39 years with you all and those before. We are so fortunate to have whatever precious years serving the NPS and its parks, people, and programs. Make the most of it.

I am so honored to have shared time with each of you and thank you for the lessons and gracious support, your leadership, friendship, and the accomplishments we did together.

All the best to each of you ahead-
Mike
