Subject: First Aid Room Sink (RM 138)

ALL-

Recently, our water was tested at discharge points for Legionella. We tested positive in one area; the First Aid room sink. Remediation efforts have been completed; however, we are awaiting the test results post remediation. Until further notice, please **DO NOT** use the water from the sink in in the first-aid room until further notice. If you have further questions or concerns in this regard, please do not hesitate to reach out to either [REDACTED]. Thank you for your attention and compliance in this regard.

Have A SAFE Day!

Respectfully,
