The following are a few of the CEOs, business leaders and entrepreneurs traveling independently to Cuba who will attend the entrepreneurship event in Havana. The President will attend an event that is focused on entrepreneurship and opportunity for the Cuban people. This will be an event that has a series of sessions that will bring together American business leaders, Cuban Americans, Cuban entrepreneurs, representatives of our governments where we'll be able to discuss and lift up the potential for deeper cooperation between our countries, to lift up the great progress that's been made among self-employed Cubans in recent years who've shown remarkable innovation.
