Dear Colleague:

The Committee on Environment and Public Works (EPW) intends to begin discussions to develop an EPW section of a comprehensive infrastructure bill. As part of this process, we would like to know your infrastructure priorities.

The Committee has jurisdiction over agencies responsible for a wide range of infrastructure issues, including the Federal Highway Administration, the U.S. Army Corps of Engineers, the U.S. Environmental Protection Agency, the U.S. Economic Development Administration, and others.

To assist the Committee's efforts, please submit a letter listing your infrastructure priorities, policy proposals and recommendations. Please complete the attached form for each recommendation. You may also include such additional information as you consider appropriate to aid the Committee in the consideration of your proposals. Only proposed language accompanied by a signed letter will be considered by the Committee. Please note that we are not able to consider requests for congressionally directed spending, as that term is defined in Senate Rule XLIV, "Congressionally Directed Spending and Related Items."

Please submit your signed letter and forms both electronically and in hard copy by July 21st to Majority Legislative Assistant Kelsey Keegan at Kelsey_Keegan@epw.senate.gov and in SD-410, and to Minority Staff Assistant Campbell Wallace at Campbell_Wallace@epw.senate.gov and in SD-456.

Thank you for your time and attention to this request.

Sincerely,

JOHN BARRASSO, M.D.
Chairman
