
FROM THE DESK OF SCOTT GARRETT

August 1, 2017

Chairman Mike Crapo
Senate Banking Committee
239 Dirksen Building
Washington, DC 20510

Dear Chairman Crapo,

Thank you for the opportunity to meet this afternoon. As we discussed, I am honored to be President Trump's nominee to lead the Export-Import (EXIM) Bank.

I fully appreciate the role EXIM plays in aiding the global competitiveness of a number of American manufacturers -- including the U.S. aerospace industry. I support the President's policy of having a fully staffed EXIM Board and having EXIM functional as a U.S. export credit agency. Consistent with the President's goal of ensuring our government works for all Americans, I also believe that EXIM must be reformed and modernized as outlined by Congress.

If confirmed by the Senate, I will serve at President Trump's pleasure. To accomplish the President's goal of revitalizing American industry, I pledge to pursue regular EXIM Board meetings to transparently and thoroughly review transactions that will help create American jobs and provide maximum value to the U.S. taxpayer.

I look forward to working with you and your colleagues as the Senate Banking Committee considers my nomination.

Sincerely,
