Dear Colleague:

This letter is to confirm the New York Department of Health's intent to reconvene the Medicaid Redesign Team (MRT) Indigent Care Technical Advisory Committee, a subgroup of the Payment Reform and Quality Measurement Workgroup, in the event the federal government makes reductions to New York's disproportionate share (DSH) allotment. The group will evaluate the impact of the funding decrease and make recommendations to the Commissioner of Health and the Legislature regarding the most appropriate way to implement the federal reductions.

Sincerely,

A handwritten signature in black ink that reads "Howard Zucker M.D." in a cursive, slightly stylized script.

Howard A. Zucker, M.D., J.D.,  
Acting Commissioner of Health
