

**JOHN F. RING
NOMINEE TO BE A MEMBER OF THE
NATIONAL LABOR RELATIONS BOARD
QUESTIONS FOR THE RECORD - ADDENDUM A**

The listings in this document refer to current cases in which Morgan, Lewis & Bockius is representing or has represented a party which, to the best of my knowledge, are pending at some stage before the Board or on appeal.

The first list represents those cases pending before the Board. The second list represents those cases pending before a U.S. Court of Appeals on appeal from the Board. The third list represents those cases in which NLRB charges and/or petitions have been filed, but where formal proceedings before the Board have not been instituted.

Note that I have had not personally represented a party in any of the cases on any of the lists.
