**BEFORE:** Rogers, Kavanaugh, and Wilkins, Circuit Judges

**ORDER**

It is **ORDERED**, on the court's own motion, that by April 3, 2018, EPA submit a comprehensive list of pre-2017 examples where any federal agencies have issued final notice-and-comment regulations (i) that change the effective or compliance dates for an earlier final regulation and (ii) that explicitly justify the change to the effective or compliance dates on the ground that the agency is reconsidering its earlier final regulation. If a comprehensive list would be excessively burdensome to produce, EPA shall explain why that is so and shall produce as many examples as practicable. Petitioners may supplement or correct EPA's submission no later than April 11, 2018. The parties shall not submit additional briefing in response to the court's order.
