

Please join us
for an exclusive construction industry conversation with
EPA Administrator Scott Pruitt
and
NAHB CEO Jerry Howard

This invitation-only special event is a rare opportunity to hear directly from the EPA administration as well as NAHB CEO Jerry Howard. Featuring opening remarks by Administrator Pruitt, a candid conversation between Administrator Pruitt and Jerry Howard about EPA Regulation as it relates to the industry, and a question and answer session moderated by Jerry Howard— this is our chance to make sure the concerns of our industry are being listened to by the new administration. This event will address construction-industry issues such as the EPA's impact on the Clean Water Act and Waters of the United States, as well as the EPA's plans for the future including administering the Clean Water Act and what it means for the industry.
