INDIA

Revision

The following communication, dated 13 June 2018, is being circulated at the request of the Delegation of India.

India hereby submits a revision of Annexes I and II appended to its notification dated 18 May 2018 in which it notified the Council for Trade in Goods of its decision to suspend concessions and other obligations in accordance with Articles 8.2 and 12.5 of the Agreement on Safeguards.¹ This notification is made in connection with safeguard measures imposed by the United States of America ("United States") on imports of certain aluminum and steel articles, *vide* Presidential Proclamation Nos. 9704 and 9705 (dated 8 March, 2018), respectively with the effective date of 23 March, 2018.

The revision is being provided to adjust the products and the tariff rates in accordance with India's rights reserved *vide* its notification to the Council for Trade in Goods contained in the WTO Doc. No. G/L/1239 and G/SG/N/12/IND/1 of 18 May 2018.

India hereby reiterates its decision to suspend concessions or other obligations notified to the Council for Trade in Goods on 18 May 2018 under Article XIX:3 of the General Agreement on Tariffs and Trade 1994 ("GATT 1994") and Article 8.2 of the Agreement on Safeguards, that are substantially equivalent to the amount of trade affected by the measures imposed by the United States. The proposed suspension of concessions or other obligations takes the form of an increase in tariffs on selected products originating in the United States, based on the measures of the United States. India reserves its right to further suspend substantially equivalent concessions and other obligations based on the trade impact resulting from the application of the measures of the United States.

India will inform both the Council for Trade in Goods and Committee on Safeguards on the next appropriate steps.

ANNEX II

The substantially equivalent concessions or other obligations under GATT 1994 were calculated as follows:

1. The effects on trade due to the measures of the United States on India's steel and aluminium export were calculated as follows: (based on the export value in the calendar year 2017; in Million US dollars).

Affected Products	US imports from India-US\$ Million	% of Additional Duties imposed by the US Government	Duty likely to be collected by the US Government-US\$ Million
Steel	794.6	25	198.6
Aluminium	424.3	10	42.4
Total Duties			241.0
