Ms. Judy Treichel, Executive Director
Nevada Nuclear Waste Task Force, Incorporated
4587 Ermine Court
Las Vegas, NV 89147

Dear Director Treichel:

Thank you for your letter dated July 9, 2018 regarding the upcoming visit to Nevada. I appreciate your concern regarding the challenges associated with our nation's nuclear waste management policy. As Congress continues advancing a bipartisan, national solution to address this issue, a constructive discussion with stakeholders throughout the country provides many beneficial perspectives.

Your interest in visiting the Yucca Mountain site is recognized; however, logistical issues limit participation for the tour. I look forward to further engagement with the State of Nevada, as well as other interested parties as we continue to move forward on this project.

Sincerely,

JOHN SHIMKUS
Member of Congress
