

## MESSAGE FROM THE ADMINISTRATOR

This email message is being sent to EPA employees.

Colleagues,

I am pleased to announce that on April 1, Anne Idsal, the Regional Administrator for Region 6 in Dallas, will be joining EPA HQ as the Principal Deputy Assistant Administrator for the Office of Air and Radiation.

Prior to joining EPA as the Region 6 Administrator, Anne spent her career working for Texas state government in helping shape environmental policy for the state. She is an experienced lawyer with extensive government experience, having served as the general counsel for the Texas Commission on Environmental Quality and as the first female chief clerk and deputy land commissioner for the Texas General Land Office.

Anne will work closely with Assistant Administrator Bill Wehrum to guide EPA's air policy for the country.

With Anne's departure from Region 6, I have asked David Gray to serve as the acting Regional Administrator.

Please join me in welcoming Anne to EPA HQ.

Andrew Wheeler  
Administrator
