

1 **SEC. \_\_\_\_\_. CONSUMER EDUCATION.**

2 (a) RESEARCH.—

3 (1) IN GENERAL.—Not later than **【\_\_\_\_】** years  
4 after the date of enactment of this Act, the Sec-  
5 retary shall conduct research to determine the most  
6 effective method and terminology for informing con-  
7 sumers about the capabilities and limitations of  
8 automated vehicle technology, including advanced  
9 driver assistance technology.

10 (2) REQUIREMENT.—In conducting the re-  
11 search described in paragraph (1), the Secretary  
12 shall determine whether the method and terminology  
13 described in that paragraph—

14 (A) should be based on or include the ter-  
15 minology defined in the SAE International Rec-  
16 ommended Practice report numbered J3016  
17 and dated June 15, 2018; or

18 (B) should include alternative terminology.

19 **【(b) RULEMAKING.—**Not later than **【\_\_\_\_】** years  
20 after the date of enactment of this Act, the Secretary shall  
21 **【issue a rule / initiate a rulemaking proceeding】** to require  
22 manufacturers to inform consumers of the capabilities and  
23 limitations of the driving automation systems or features  
24 of any highly automated vehicle or partially automated ve-

- 1 hicle, [including any changes to those capabilities and lim-
- 2 itations [due to / resulting from / that may result from]
- 3 software updates].]
