Everyone,

I just completed another review of our latest draft of this report. I still have a couple of questions that I have to resolve with the Asylum team in the morning before I'm comfortable with forwarding the document to you again. I will send it to everyone before Noon tomorrow.

Thanks for your continued patience.

John

Morning, Debra –

Thanks for this update. As requested to ASY, please ensure all changes/updates are done in the version we sent on March 16. That version is in the correct *Congressional Appropriations Reports* template.
