I would appreciate it! We have a once-in-a-while opportunity to place a good person in a pivotal position that could last for several years.

Thanks, and I look forward to hearing from you!!

Not yet. I thought I would be in the Lexington office today to discuss, but my plane didn't land in Evansville last night until 12:45, so I stayed in Evansville today. I will try to let you know something tomorrow.

While our application submittal deadline is still a week away (next Friday the 23rd) on the Federal Mine Safety and Health Review Commission Chief ALJ position, I wanted to circle back with you. Have you received any feedback at this point?

Again, thank you very much for your interest.
