The Honorable Mike D. Rogers  
Chairman  
Committee on Armed Services  
U.S. House of Representatives  
Washington, DC 20515

Dear Mr. Chairman:

I greatly appreciate your support to defense of our Nation and an opportunity to provide a supplemental budget submission. I am not including any items in the Fiscal Year (FY) 2025 Unfunded Priorities List (UPL). United States Cyber Command's (USCYBERCOM) priorities are funded in the President's Budget request.

I ask for your support of the FY2025 President's Budget request reflecting \$2.9B for USCYBERCOM. USCYBERCOM is postured to implement the service-like authority for budget in FY2024 with an appropriation. Your Committee's support will help strengthen military readiness and alliances, secure the homeland from cyberspace attack, and advance national interests.

Thank you for your continued and unwavering support. I look forward to working closely together on enhancing USCYBERCOM's lethality in support of the National Defense Strategy (NDS). A similar letter has been sent to the other Congressional Defense Committees.

Sincerely,

A handwritten signature in black ink, reading "Timothy D. Haugh", is positioned above the printed name.

TIMOTHY D. HAUGH  
General, U.S. Air Force
