I just want to clarify that I did not edit the document. I sent the redline version that was sent to me and a clean version, which just accepted all edits and removed all comments.

Lots of cooks in this kitchen. Getting several emails from OP as well. Have not seen comments yet I just told OP to have OMB send the comments to me and copy Tala and Lindsey since they are the ones who last edited the document.

Samantha,

I understand that OIRA delivered some pass back comments on the assessment today. Is that true? Can you give me an update on the status of the edits?
