Executive Office of the Governor
The Capital
Tallahassee, FL 32399-0001

Dear Governor Scott:

Thank you for giving me the opportunity to serve the citizens of Broward County as a Commissioner on the North Broward Hospital District.

You appointed me to help turn around a troubled institution that sorely needed ethical and transparent oversight and governance. Unfortunately, I believe the current direction of the Board is creating an environment that jeopardizes it's future. As such, I have decided to resign as Commissioner.

Serving as a Commissioner was truly an honor and I sincerely thank you for affording me the opportunity.

Please accept my resignation effective immediately.

Sincerely,

Steven A. Wellins
